Neighbors:

A colleague of mine called the other day and inquired, "Why do you refer to your customers as neighbors"? To which I replied, "They are my neighbors and the neighbors of my employees who live and work in the Harbor area." I know that it is impossible to be of service to everyone on the purchase of a new or used car, but believe me "neighbors" I would like to give it a try. We are located in the heart of the Harbor District and no one is more anxious to be of service than Frank Reiman Pontiac.
